

## ***My Funeral***

***One quote, which people say after attending a funeral is, “I would like this at my funeral”.***

At Vaudin’s Funeral Services Limited we are able to offer you a complimentary service that allows you to set out your funeral wishes.

Setting out your Funeral Wishes now will ensure that you get the type of funeral you want and this will provide great relief to your loved ones when the time comes.

To set out your Funeral Wishes complete this form and keep it in a safe place with your other important documentation. We will also retain a copy of your Funeral Wishes safely and confidentially.

If there are any questions or concerns over how to complete this form please do not hesitate to contact us as we are always on hand to provide assistance and guidance.

***“No one wants to die. Even people who want to go to heaven don't want to die to get there. And yet death is the destination we all share. No one has ever escaped it. And that is as it should be, because Death is very likely the single best invention of Life. It is Life's change agent. It clears out the old to make way for the new”***
